Knight's Fantastic Night

CHAP 106: A DANCE.

I can't give up

The warmth of his hands

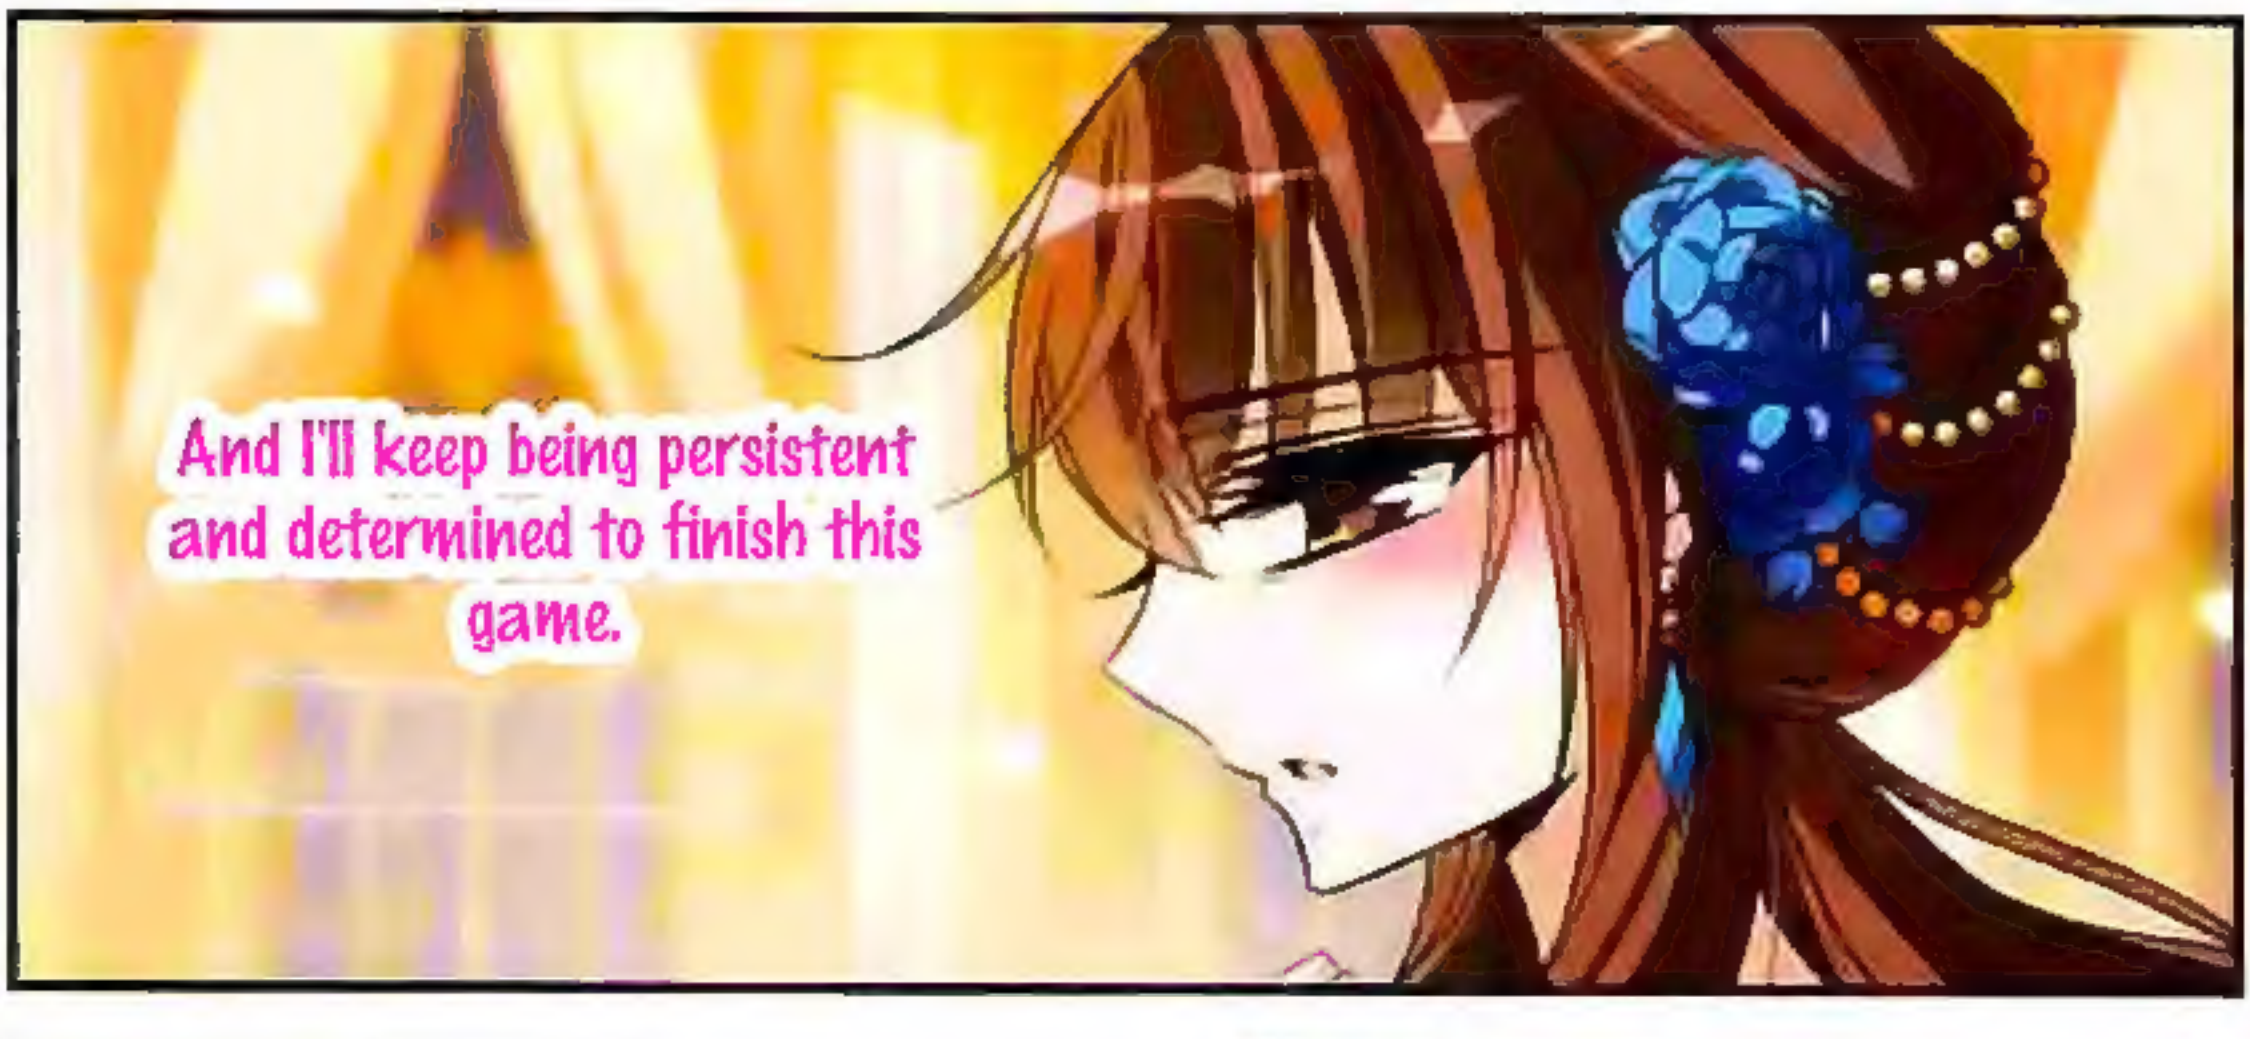
YOUR MAJESTY,
I WANT TO HAVE A
DANCE WITH YOU.

Please let me have a courage for once.

so I'm brave enough
to say my wishes.

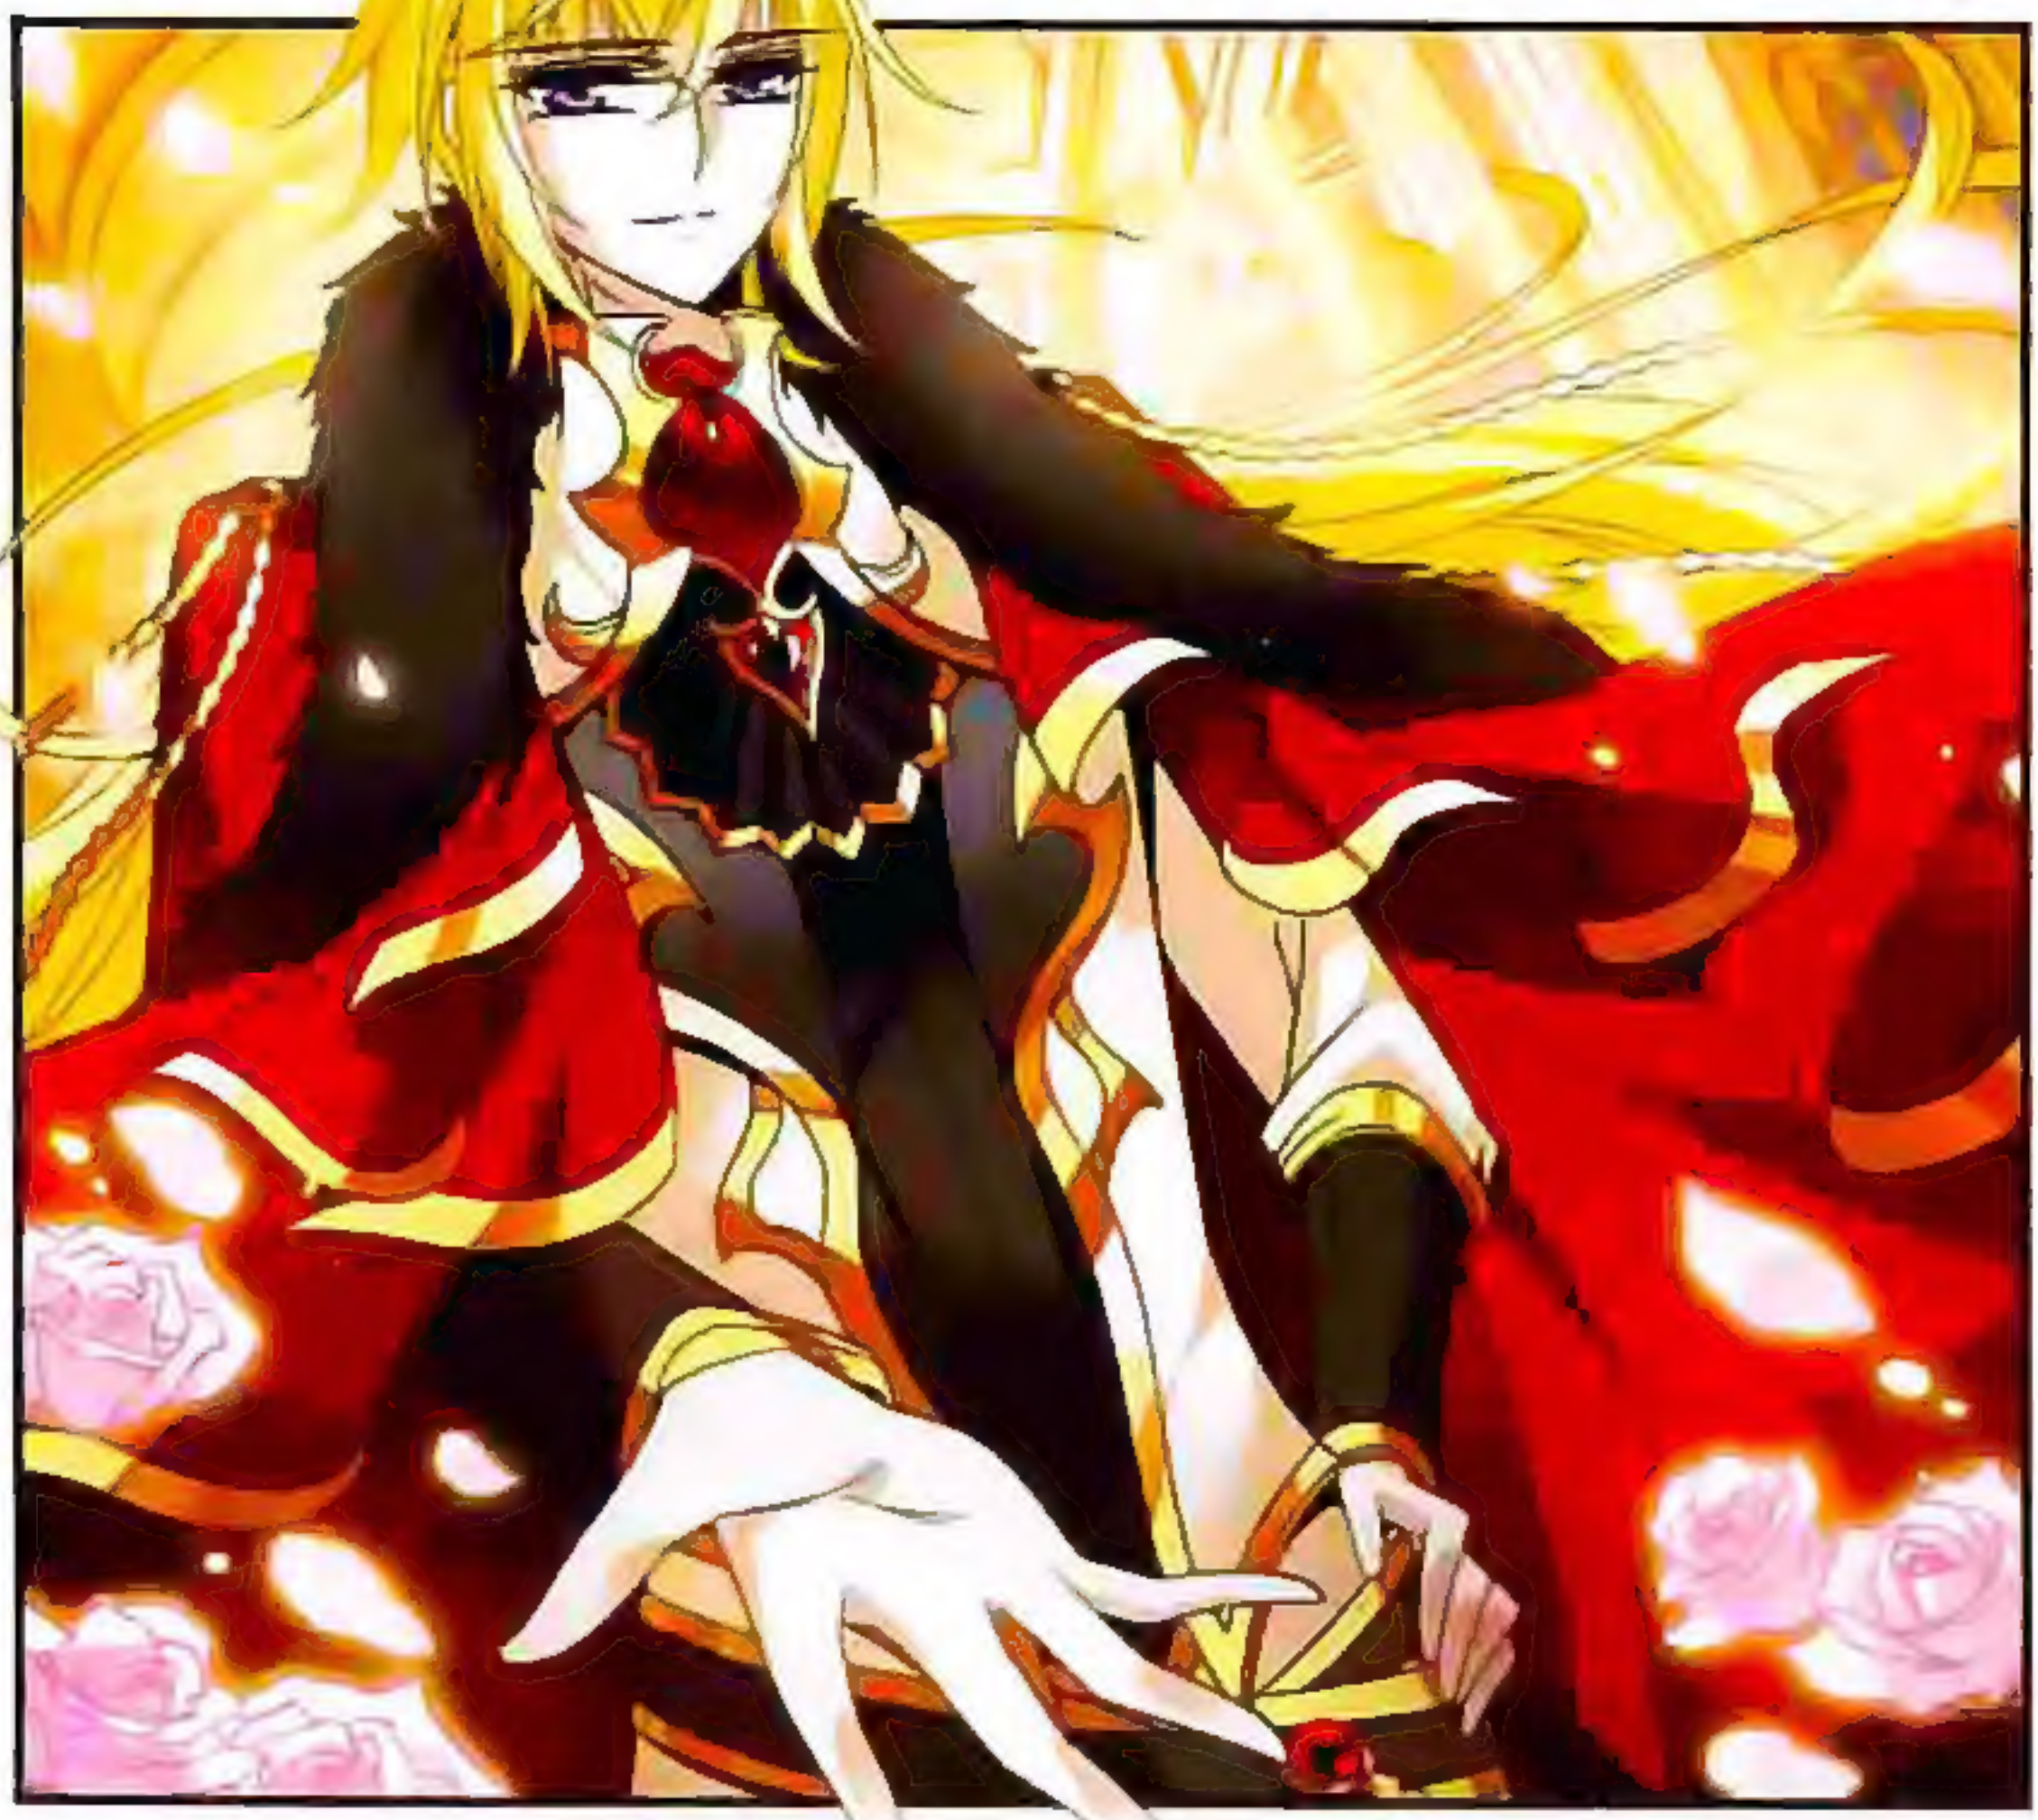
Because after this dance, I'm not going to
run away from my responsibility.

I'm going to let the game end as it should be.



And I'll keep being persistent and determined to finish this game.

!



After that,

I won't regret anything...

When I leave
this fantasy world.

KING OF CAMELIARD.

I REFUSE THIS INTERMARRIAGE,

I APOLOGISE.
